

# DRUG FREE CLUBS OF AMERICA

Created by firefighters as an easy way to **REWARD and PROTECT** drug free teens because sometimes,

## Saying "no" isn't enough!

Drug Free Clubs of America works in 2 ways:

1. To recognize and encourage students who are choosing **NOT** to use drugs, and
2. To make sure students have powerful tools to **stay** drug free.

It is really that easy. All you do to join is fill out the form and pass a simple drug test. This test is not done as a trap, it is a safety net.

You will have testing as an "out" when you suddenly find yourself caught in a situation with drugs by saying, "I can't, I might get tested".

Although the test is done at school it is very private. Only you & your parent get the test results. As a member you will get a full color club photo ID card.

You can show your card for "rewards" to recognize your drug free lifestyle. Rewards vary from school to school, and have been

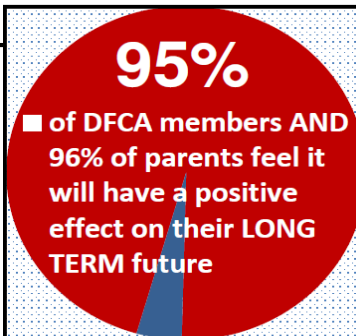

anything from goodie bags to ticket discounts, or privileges that others don't get. Others see you getting rewarded so they know not to offer you drugs. Also, it looks great on any job or college application! Random re-testing is determined by a computer program and continues all year. As long as you remain drug free, the rewards continue and...

**...Saying "I can't" stops peer pressure in its tracks!**

Finally! A program for teens who are **NOT** using drugs, encouraging them to stay on the right track!

- A plan to stop peer pressure.
- Rewards for the good choices you are making.
- Information to keep you aware of drug issues.
- A perfect way to show parents, friends, coaches, teachers, colleges, and even employers, what you're about!

### Age Matters!

Did you know that if you use anything addictive before age 18 you greatly increase your chance of actually being addicted later in your life?

**Join now & get the rewards you deserve!!**

Submit everything to the school office, by mail, or do it all at [DrugFreeClubs.com](http://DrugFreeClubs.com). Valid emails are **EXTREMELY** important for several key program items. DFCA will **NEVER** share this info.

### 2. Test drug free!

On test day you will be called to the school office and they will tell you where to go for testing and to create your DFCA account. The process is very simple and you will not be seen by others during the sensitive part of the test.

### 3. Get the ID card.

IDs are handed out at school and parents get a letter.
